

## **Discussion Session with Synergy Technology LLC, USA**

Synergy Technology LLC, USA and Department of Business Administration have jointly organized a discussion on Forensic Accounting Course, Fraud Examination Review Course and other various accounting courses. These courses will help students to pursue their career and be skilled. In this session, the country manager of Synergy Technology LLC, USA, Mr. Md. Ashraf Hossain emphasized the necessity of these courses for the students concentrating their study in accounting. Faculty members of the Department were present in the session.
